South African Revenue Service

It is actually mind-blowing to see that even SARS acknowledge the principals of God's Word regarding giving!

Section 18A of the Income Tax Act states that a taxpayer donating to a PBO such as **Place of Grace Restoration & Upliftment Centre**, can claim a tax deduction to the value of the donation made but limited to **no more than 10% of the taxpayer's taxable income** before taking this deduction into account. If you have given more than 10% in one financial year, the surplus may be carried over to your next financial year!
(see our attached Tax Benefit information)

Welcome to our center in Makwassie, where we are resolutely dedicated to the restoration and upliftment of individuals, particularly women and children affected by trauma and abuse. Since 1996, we have been making profound impact in the lives of those we serve. With our newly established facility, we now offer a secure and supportive environment, empowering individuals to receive the comprehensive care they need over an extended period. Together, we are not just healing; we are forging pathways to a brighter and more hopeful future by uplifting and empowering people to return and play their important roles in their communities.

Our info brochure explains our holistic support functions implemented to assist traumatized & abused people. We always adapting to every need along the way in order to help as many people possible.

Your support empowers us to offer up to 12 months of care, ensuring everyone has access to essential needs like food, water, and toiletries. Additionally, it enables us to enhance our facilities, particularly our bathrooms and kitchen, making the center more user-friendly. May your seed be blessed 100 fold!

Grace upon Grace!

The Board of Directors

Our country needs
people who has
risen from the
ashes...
Victims who can
relate to victims...
Empowered to bring
change!
